The pressure from the media....the Communist left...and the establishment right are going to come down on you. You're not wrong...

NEVER APOLOGIZE.

YOU ARE THE RESISTANCE.

YOU ARE PRECIOUS.

YOU ARE HOPE.

I AM WITH YOU.

WE'RE ALL WITH YOU.

YOU MAKE THIS COUNTRY GREAT.

NEVER STOP FIGHTING.

Just a heads up, most chapters are not accepting new members from online. But, if you hang out at your local dive bars or patriot rallies, PBs are easy to find!

Glad to hear. Was getting worried they were a CIA ground operation like BLM/Antifa for when they need something from the right.

This guy made a great proud boys leader, he really gives me the same feeling when Gavin Mcinnes would say "get fired, get in trouble, be brave, never stop fighting!"

Proud goys have won me over through their handling of antifa and not cucking out like mainstream cuckservatives.

Our opposition dig themselves deeper and deeper into a hole they cannot escape as they oppose us while we stand on the bedrock of truth.

The Proud Boys have been a shining light through the nihilist winter we have experienced.

Not knowing anything about this PB group, I began to learn through their support of patriot events, that they are the real thing. I felt awful when a chapter's toys for tots drive was shut down, but but am learning to not second guess what could happen anymore. When I heard that Enrique's participation in Wednesday's events was hindered by his arrest- I am moved to help. And now we have the gift of this post. Sir(s) your actions have shown who you really are. Thank you and God Bless.

He was fucking arrested the second he landed in DC. He was forced out of town.

Stop blaming real patriots and shift your anger at the true enemy of our nation.
